About the Album

7-1 Split isn't just an album — it's a rugby revolution in sound.

From the creators of South Africa's most entertaining sports anthems, **Die Geelkaarte** deliver a hilarious, hard-hitting, proudly South African celebration of rugby, teamwork, and pure chaos.

The title track, *7-1 Split*, takes centre stage — a loud, cheeky tribute to Rassie's legendary tactical genius. With crowd chants, drums, brass, and rock guitars, it captures the wild spirit of the Bokke's unbreakable strategy — where madness meets magic.
