About the Album

Highway to your heart is a heartfelt country-pop duet album celebrating love in all its forms—playful, romantic, cozy, and timeless. Each track tells a story of connection, laughter, and shared moments, blending storytelling with catchy melodies. Perfect for radio airplay, streaming, or feature playlists for romantic, country, and folk audiences.

The album's themes range from lighthearted kitchen dances and carefree road trips to tender, emotional ballads reflecting long-lasting love. Every song highlights the warmth of male/female duets, with call-and-response verses and harmonized choruses that capture the listener's heart.
